

JOB DESCRIPTION

Position: Program Officer
Working station Vietnet-ICT Office in Hanoi with extensive travel
Report to Program Manager

Background

Vietnet Information Technology and Communication Center (Vietnet-ICT) is a Vietnamese not-for-profit non-governmental organization working in the areas of information technology and communication.

Vietnet-ICT strives to promote opportunities for development of disadvantaged Vietnamese people through narrowing the digital divide and assisting with effective information access. Our Mission is to support disadvantaged Vietnamese people to access and benefit from information technology and communication services via promoting partnership and capacity building.

Over the last decades we have been working with global technology partners to bring ICT and digital skills training to focus groups including youth, nonprofit organizations and community based enterprises. Through our programs such as YouthSpark Digital Inclusion (YDI) or We Think Digital, nearly 3000 teachers have been trained with new skills and through them approximately 400,000 students of secondary schools in provinces and cities throughout Vietnam have been accessed to knowledge and skills on ICTs, computer science and, internet governance and online safety. Vietnet-ICT is looking for 01 qualified program officer to join our growing team.
